

MINUTES OF PUBLIC HEARING
COUNCIL CHAMBERS AT CITY HALL
TUESDAY, MARCH 12, 2019
6:00 p.m.

A public hearing was held on March 12, 2019 at 6:00 p.m. in which Mayor Ashley Brady presided. The public hearing was held to allow for public comments on the Stormwater Maintenance fees. Council members Ralph Atkinson, Ronald Atkinson, Michael Baker and Joseph Frazier, Mayor Pro Tem Emerson Hunt, Councilwoman Tassie Lewis were in attendance. Also present were City Administrator Alan Ammons, City Treasurer Patricia Brown, Interim City Clerk Pam Jones and City Attorney Jim Brogdon.

The meeting was called to order by Mayor Ashley Brady. Mayor stated that the first reading on the Stormwater bill was read to be able to take care of the maintenance on our Stormwater project. What's being proposing is a five dollar fee. We have about two thousand residential water meters at five dollars a meter, so that would generate about \$120 thousand a year in residential fee's, we have about 300 commercial meters at about six dollars a meter and that would generate about \$21, 600 estimated for the year. Mayor Brady also added the money will only be used for the repairs to our storm water system whether it be buying pipe, buying equipment, so it has a potential on the five dollars and the six dollars to raise about \$141,600 dollars. Mayor also stated that the Vac truck had some repairs that needed to be repaired to the truck costing \$31-50 thousand dollars to repair the Vac truck.

Hearing no comments from the public. A motion was made to adjourn by Councilman Michael Baker and seconded by Councilman Joseph Frazier. The motion carried unanimously.

The meeting was duly advertised to the local media, posted in City Hall and on the City's Facebook page. A list of attendees are attached.

Mayor Ashley Brady

City Clerk
Interim Clerk Pam Jones
